

PRODUCT UPDATE BULLETIN Doc Rev1. 13.12.16

Flo Through Desk Kit. DYN/013/AS11 – December 2016

This bulletin communicates details of 3 updates to the current Flo Through Desk Kit.

The reason for updating this product is due to recently taking the decision to introduce the Black Flo arm into the range of colours.

The current product is supplied with the parts to make it suitable for the Silver and White Flo monitor arms only.

The updated version will be compatible with White, Silver and Black Flo arms as well as simplifying the product to offer a cost reduction.
